“ *My sincere condolences & prayers go out to the Kennedy family & both Jill & Patricia. He was the kindest and most loving family man I have ever known. I remember All our trips to Elfrida on the farm & going quail hunting. My mother & dad had treated us to so many wonderful days spent with June & Gene & the girls. I stayed in contact over the years with Gene thru social media & would always look forward to hearing from him & catching up on life. Thank you Gene for ALL my great memories. We will meet again in Heaven. Love Allan*
