

Margaret "Peg" Cramer

May 25, 1945 - October 21, 2020

Margaret "Peg" May Cramer

Peg died peacefully on Tuesday, October 21, 2020. She was a WWII baby who was born in Kent, England on May 25, 1945. She came across the ocean to the United States as a baby on the Queen Mary.

Peg worked hard for 12 years to get her BSW (from ASU) while raising her children. She was a social worker for over 20 years and taught classes at Cochise Community College.

Peg is survived by her loving husband, Steve. The happiness she found with him as her husband made her brag constantly about his sweetness. Peg is also survived by her amazing blended family of four children: Kelly (Lorenzo), Amy (Mike), Drew (Karmia) and Shanna (Tim); grandchildren: Jake (Elissa), Ronni (Kyle), Cliff, Keira (Dalton), Jennessa, Corri May, Max, Sam, Addy, Tayla, Killian and three great grandchildren: Jonas, Andre and Magee. Siblings: Karen, Rick, Teri, Diann, John, Roger, and Kimberly.

Peg let people around her know what she thought and always stood up for what she believed was right. She would say funny, unexpected things and was generous to all. Peg loved her family deeply with her whole body and soul. She had a special relationship with each of her children and grandchildren and every one of them is sure that they were her favorite

person. Her whole family has stories about what special thing she did or shared with them.

She was greeted in heaven by her grandson, sister, brother, mother, father, beloved son and best friend of 50 years.

A memorial was held in her honor on October 22.

“ I first met Peg when I was barely a teenager. I had a new stepmom, Peg's daughter Amy, and as if she had known me since birth, Peg treated me like her grandson. Her smiles, her hugs, and her always encouraging words were like the stuff out of some magical grandmothering guidebook.

Many years later, when I became a father, Peg was one of the first people buying us gifts for our newborn son. She never stopped, even as he got older and we had more kids. And even though she was of modest means, she spared no expense for high-quality stuff that we couldn't afford ourselves. She was generous in every sense of the term.

And beyond that, since Amy is one of the people in the world I know best and love most, I can say with certainty that Peg was also a great and loving mother. Amy has a gift for loving people, and it's clear where she got it.

Peg should rest easy, knowing she made the most important kind of mark on the world.
