“ *Mark you have made the people in your life happy. Can't believe we had to lose you so soon. It's not fair. But I know you are not in pain anymore and also know that barb is going to be taken care of. So many memories. This was a great memory Victor's second birthday and the cakes were a disaster. But it still turned out great. We love you and miss you soo much. R. I. P.*

Mark is my nephew and always will be. He was the cutest little blond haired boy. I Loved him and was proud of the man he became. He always treated his mom and his wife with respect and love. I will miss him. I know he is in Heaven and probably trying to find another angel to play chess with. So sorry he was taken at such a young age. My love and prayers fore Diana and Barb, and Kendall. Love you all Aunt Bonnie and uncle Avery!
