I was away for 2 months and I just heard about Marky yesterday. I thought the person who told me was mistaken, until now. My heart is broken. Mark and I were great friends-I always adored him. He had a great sense of humor and we'd tease each other often. I loved to grab his ponytail and shake it he'd always make a face at me. The thought of Marky being gone really saddens me. GOD bless his family and give them all strength to endure this loss along with peace knowing Mark is now resting. He was a wonderful man.
