“ *I remember that when I was working at the Tee Pee or T the Corner Store, Mrs. Fierro would come into the store and ask me if had worked on the spanish words she was teaching me....I would sadly massacre the words and she would ever so gently correct me and tell I was doing much better and then would ask me if I have ever learned to make those tortillas yet.....She and her husband ALWAYS had a smile for each other then they would share that smile with everyone else.....Peace be with you and with the family.*

“ What I remember as a kid growing up that I could come over day or night and I was always welcome. Dad was sitting watching some Spanish channel and mom was in the kitchen talking it up with someone and I could hear her say "Danny come here! Have you learned how to make tortillas yet?" Off to make tortillas we went. I loved that woman for being a great mom and a great woman.
