“ *Oh Mary! You were so loved by all your family and many others! You will be so missed! For the greater part of 66 yrs you were trying to raise me as well! I know you are very proud of the services your family did for you. I looked around the room at all your family and thought to myself, “Mary you’re going to live forever! You are part of everyone of them!” RIP now! I’m pretty sure heaven knows you have arrived!*

“ *Karen and Judy, I just saw your mothers obit in the Eastern Arizona Courier and I wanted to send my condolences to you and your families. I remember your mom from our school days. I also met up with her several years ago at Thriftee market here in Safford. I told her who I was but I’m not sure she remembered me. I hope she mentioned the meeting. You were blessed to have your mom for so long. Bless you and your families. Your old friend, Ralph Martinez*
