

Melanie Lynne D'Antonio

August 11, 1976 - October 10, 2023

"Melanie Lynne D'Antonio (Travis)

was born August 11, 1976 to Margaret Kranik (Davis) and Leslie Travis III in Northeastern, Ohio. She was a 1994 Boardman High School graduate. After graduation Melanie pursued a career in cosmetology and moved west to Las Vegas. Although she never had children she proudly boasted being a ‘dog mom” to several spoiled rottweilers (most recently Krista) over the years. She cherished being an aunt to her niece Susanne and was an avid concert goer. On the evening of October 10, 2023, she died in Baker, California. She will be laid to rest next to her beloved “grammy” in the spring.

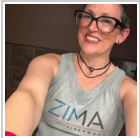

To honor Melanie’s memory and love for animals we ask in lieu of flowers or cards please consider a donation to your local animal shelter. A celebration of life will be held at a later time.

“ I’m so sorry for your families loss. I am just learning this now - sadly almost a year later. I went to school with Melanie. I loved her smile and hair. She was always dressed in something trendy and I remember her pink lipstick and her teased “80’s” blonde hair. She was kind and funny.

“ I am just learning about this now - almost a year later. I am absolutely heart broken. Melanie was one of my very best friends in through middle school and into high school. We were two peas in a pod with our big hair and getting in trouble for chitchatting.

“ I am beyond devastated. Melanie never met a stranger and would quickly make friends wherever she went. She was always so much fun and I will miss her always. Life will never be the same.

“ Melanie was a sweet soul with an infectious laugh and beautiful smile. I will always remember her as a child when she would call kittens "chitties" . She loved her Grammy and she will be forever missed.
