

Melvin "Dutch" C. Grusendorf

March 11, 1930 - March 15, 2021

Melvin Charles "Dutch" Grusendorf was born March 11, 1930 in Lordsburg, NM, to Carl Houston Grusendorf and Nathalie Aldrich Grusendorf a lifelong resident of Arizona, his birth in New Mexico provided endless fodder for the stories he loved to tell. If you asked Dutch how he was, he was either "Fine as a frog hair split three ways," or "Chipper as a squirrel with a new nut tree." If, instead, you asked how he felt, he would reply, "with my fingers". Dutch married Betty Lippse of Willcox in 1954. Eleven months later (to the day!), they welcomed Jeanine. Two years later, they welcomed Wayne and Elaine (twins!). Betty, Jeanine (Manuel Sanchez), Elaine (Rich Barber) and Wayne (Suzanne Grusendorf) survive him. Tiffany (Rick Estrada) was born to Jeanine and Manuel, followed by Erika (Aaron George), Mariah (Chris Legere) and Austin, all born to Elaine and Rich. He was also blessed with a great-granddaughter (Skylar George) who also survives him. Dutch joined the Army in 1952 and used his experience working for the US Geological Service, to survey the Philippine Islands. He and Betty spent 34 years in Bowie, raising their children and working in the community. In 1988 they moved to Phoenix to be closer to their grandchildren. Dutch began to hike Piestewa Peak in Phoenix. He enjoyed this hike (sometimes twice daily), until his early 80's. Dutch was a man of many talents and interests. At various times in his life, he: Owned and operated Bowie Lumber Company Owned Cholla Construction Developed a custom operation to mine a "rare earth" found north of his home town Operated heavy equipment for several Arizona mining and construction companies Sold Real Estate Worked for architectural firms in the Phoenix area. “ Melvin "Dutch" C. Grusendorf

“ I treasure the memories of this man his father wife and son. When he had a friend it was locked forever. I met in the early 60's in a hardware store made from a bank. His good friend Hilburn moved to Hatch, nm and he went to help put in cement ditches.. He didn't stay but remained friends to his death in 2006. I was the old well drillers son that watched and respected this man.. God Bless You Dutch and your family.... digger mcbee
