“ *We all have so many memories from years ago. I remember the time my brother and dad, Kevin and Mr. Coyle (I still have to call him that) were out behind our house and launched a model rocket. Of course it came to rest at the top of a tall oak tree. Brian wanted to climb the tree to retrieve it. Mr. Coyle wouldn't hear of it, didn't want anyone getting hurt. He said he would get it. He got his chainsaw out of the truck and cut the tree down.*

So sorry to get the news he passed away this week. Hard to accept many of the folks who were there for us growing up are leaving us. Our sincerest condolences to Kim, Mike, Kevin and all the families.

“ Isabel & I send our sincere condolences. I've known Mickey for over seventy-five years. We went to Hope School together. Later our children became friends: playing in the brook at Keenan's pasture, the football games in the yard;.imitating Waylon Jennings etc
We have fond memories of your parents and yourselves. Although in recent years, distance has limited the time we see each other, in our hearts we hold you all as close friends. We are so grateful the we got to visit with Mickey & Michael a few weeks ago, Many wonderful memories!
