Dear Sarah, John, Kathleen & Steve - My most sincere sympathy for the tragic loss of your brother, Mike. It is so sad to lose him at such a young age. For me he will always be the 12 year old I knew on family visits who always made us laugh with all his antics.

“ *So sorry to hear about Mike. When he worked at the school he would often take time to talk to me. He would let me know my rottie scared the crap out of him at night when he was checking on things at the school, she was usually knocking over trash cans. He was always kind and giving. My prayers for his family.*

“ *I don't really remember how we became friends, probably through the Fire Department involved with the school. But we hit it off right away. He was always quick to greet me with a smile and willing to stop and chat together for a while. I'll miss running into him and seeing his smile and quick wit. RIP Brother, you will not be forgotten. I say a prayer for his wife and family. My heartfelt condolences to you and yours Kris.*

“ Mike was so kind to our family. I always appreciated how well he took care of us, "his ladies" at the elementary school. Mike cheerfully went the extra mile---especially during all of our classroom moves. Your family is in our prayers. Anne, Ed, and Sue O'Connell
