“ *The most memorable memory that I have of Mike, is that right after him and Cherry got married the Filener family and the Milhoan family got together at Cherry's grandparent's cabin and when it got time for Mike and Cherry to leave, I just cried and cried because Mike was taking my friend away from me. Well, I guess it was ok because their marriage lasted a long time and Cherry is still my friend. He took really good care of her and their family. He will be missed.*
