“ Mike, as a Brother in law & friend you always amazed me with the down to earth approach you had on life. You always found the good in whatever the situation presented! Whether it was taking a rusted old chunk of metal from the back 40 acres and turning it into a finished product that suited your needs or dealing with what life threw at you so harshly. You pushed forward in the same manner to make the best with what you had. Your strength should be motivational to many. I will miss you greatly Mike

“ My love and prayers to Teresa and the entire family. I will always remember Michael Mill's. He was such a strong man who endured years of illnesses. I remember him and his big pickup courting Teresa! Heaven gained a wonderful new soul! Be at Peace!
