“Michael enjoyed poetry so I know he would have appreciated the one below:

“Your children are not your children. They are the sons and daughters of Life’s longing for itself. They come through you but not from you. And though they are with you yet they belong not to you. You may give them your love but not your thoughts, For they have their own thoughts. You may house their bodies but not their souls, for their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams.”-Kahlil Gibran

Our souls will reunite in this house of tomorrow. Until then, I will continue to pray that you Rest In Peace. I will always love you!!
