“ *I have known Michelle for around 30 years. She was a faithful servant of The Lord Jesus Christ. She was a Worshiper and a Prayer Warrior. She lived the life of Holiness before The World. I remember when her mother was so sick Michelle never complained. She will be greatly missed by the body of Christ. But one day we will all talk it over around the Throne of God.*

“ Michelle was an awesome woman of God. We met when I was a student at SABC and when she was involved at First Assembly in Sierra Vista. We later had the privilege to work with her at Greeley Assembly of God with Rigo and Carmen. My kids loved her, they bonded with her the few months that she lived with us during a winter season in Greeley. I'll never forget the many times that she would be sitting at her desk with her snacks pulling an all nighter with us at the church. I loved the banter her and Marlene would get into and their silly laughs they would have but not let us know what they were laughing about. She was a beautiful soul. It was heart breaking to hear that she passed but as we all know she's doing a lot better now with Jesus so its all good. Love you Michelle!

Michelle - You are one of the sweetest people I ever had the privilege of knowing and loving. You will always have a place in my heart and memories. I really wish life had gone differently in 1984, and again in 1995, but those were not to be. I'm proud of the woman you were when we first met and fell in love and of the woman you became in the years since. You set the bar high for others to strive towards. Your love and concern for other people - family, friends, strangers (actually, you never met a stranger you didn't start to develop something more with) - that concern for others is something this world needs more of. Michelle, my sister still remembers your singing at her wedding. When she heard you graduated to glory - she commented once more on how beautiful a voice you had. I appreciate your adherence to even avoiding the appearance of evil in how you conducted yourself in life. Michelle - I loved you in this life and I will see you in paradise.

“ We met Michelle all most accidentally before we moved to Cibecue. Hal sent a resume to the Assembly of God she was pastoring, and she responded. She and her papa have been so kind and we will miss her sweet spirit. Brother Robert, we will keep you in our prayers.
