“ Mike will surely be missed. I enjoyed many memories with Mike. I remember in particular how generous he is/was. Mike was very very talented and created products and services that will likely never be offered again. Mike is unique, creative, funny, smart and could melt his way into any conversation with ease. I always enjoyed watching him network or start conversations with strangers. He would make everyone feel welcomed and accepted. I pray for his peace in heaven and for his family during this heartbreaking loss.
