“ *My heartfelt condolences to all of our dear Monica's loved ones. I was blessed to have worked with Monica at AEPCO for 10 years & we became friends from the day I started working. I remember the day I gave her my white mare, Scarlet which gave birth to a beautiful pure white colt soon after. We both got so excited & she would let me know how the horses were doing often. I will never forget Monica - I always loved her & her friendship, plus I will always love her beautiful girls & mama.*
