“ RIP to Nallelyt. She was one of the kindest and most beautiful ppl I've ever met. Seeing that she's gone breaks my heart because about a year ago I had ran into her again and I had her number but never made plans. Remember never take ur friends for granted because tomorrow isn't promised.

Nallelyt impacted my life in a super positive way. She helped me overcome my insecurities and she always made everyone she talked to feel cool and interesting.

Sorry for the long rant but I really loved this girl. She was my first serious relationship. RIP Nallelyt, I'll see u again someday and I'll tell u about all the stuff that's happened since last time we hung out.
