“ *We enjoyed having Nancy as a neighbor and friend for many years. We especially liked hearing about her many travels to interesting places when we were on our early morning walks together.*

She will be remembered fondly.

“ *Dear Dee, we are currently in Oregon and we received the news about our dear friend and neighbor, Nancy. I do not have your address with me so I hope you will get these thoughts. How very surprised we were to hear and so sad. But so grateful that we were privileged to visit her in her new little house and have lunch prepared by her. Please know that we share in your sadness and are thinking about you and all the family. We have many special memories of Nancy. Peace with you. Sandra and Ellis*
