“ Dear Stephanie, I was so sorry to hear about Nathaniel's passing. The two of you were always such an inspiration to me. The love and devotion that bonded you was truly a blessing to behold -- a rare gift that you shared, not only with one another, but with every community of which you were a part.

Thank you so much for keeping Asheville in your heart and for bringing Nathan and his memories back here on your "memorial tour." It's amazing to me that he looks so content, clearly nurtured by your loving care, in every single photo!! He really did touch so many lives around the country.

I look forward to keeping up with you as you continue on your amazing journey. As some of your friends said to me earlier today, "Oh, Stephanie can do ANYTHING!" So, it will be interesting to see what get up to!

May you be blessed in all the ways that you have blessed all of us.
With much love and admiration, Vicki Garlock (Atticus' mom)
