“ Nikki was such a blessing in our lives. We've been far apart but always a treasured friend. She taught me how to be a mother and wife. She gave us spiritual guidance as we were a young couple when she came in to our life. So many good memories. May she rest in peace.

“ *I'm sitting here at my desk thinking about this beautiful person that I had the privilege of calling my Tia. And of course, as I always, when I think of her I think of the power of prayer and how many times she prayed for me holding my hand as a child and as a grown adult. I cherish those moments! There is only one explanation for the warm feeling and feeling of peace that would come over me every time she would put her hands on me to pray and that is her connection to our Lord through her unwavering and unconditional love for the Trinity. My Tia was our Angel here on earth and now she has been called by our Lord where she will be our Angel in heaven.*

I have attached a prayer and when I read this I could hear her voice!
