“ I'll miss your stories on repeat, your laugh and your chuckle. Your love of Country music blaring from your headphones and Church on the Sunday morning television. The mischievous look in your eyes, a child's heart so dear. How we would ask for a kiss goodbye and were given your cheek to kiss with a hurried goodbye. You touched us all in ways you'll never know or that can be explained. You will live in our hearts forever. Rest now dear Uncle and know we love you.

My heart will forever hold our memories but I just wish I could rewind the clock for one more day, one more hug before you had to go. I know your happy now, you are free to spread your wings, keep shining bright in Heaven & please watch over me. I love you with all my heart Uncle. Forever, your niece.

Normie created a special love in the hearts of those who knew him. I know that the family he and I share will grieve for him and miss him but they will also feel that special love everyday and remember all of their time with him. I pray for comfort and peace for all of the family and friends.
