“ Erin I remember Pam from the time she was born, I babysat her and was there when she was in a cast for a year ,she had a lot of medical problems but she didn't let it keep her down ,she was always a fighter, and I know she fought till the end. Pam is my cousin but we were all like brothers and sisters in the Guthrie family. Its sad that you and aunt Barbara are so far away from each other when you hurt so much our prayers will always be with you and your family. your fl.

Aunt Barbara and Erin, Cliff and I are so sorry for your loss. It is a shame we did not keep in touch more over the years and we are so sorry. I will post some pictures as soon as I can. I remember the great times we always had at Grandma and Grandpa Guthrie's, especially at Christmas time. Pam was a great girl and so friendly. You will be kept in our prayers through this difficult time. Stay strong and know she is in peace now. God Bless you and the family. Love, your cousin, Clifford and wife, Sue and son, Scott Redmond.

“ Erin, I am so sorry for your loss. Words can not take away the pain you are feeling right now. Just know you have a lot of friends that are praying for you to make it through this difficult time. My best memory of your Mom had to have been at your birthday party when you all lived off of 12th street. I remember she was trying to handle a group of about 8 or 9 tween girls and you would not stop asking questions. She finally had enough and said " bug off Erin!" I'm sure there were other words running through her head but she still chose the nice ones..lol Moms are the best! I still to this day use your Mom's words when speaking with my kids. I know your Mom loved you and does not want you to suffer so keep your head up girl, she is shining on you now.

“ Erin I am so sorry for the untimely passing of your mother. I will never forget the times we had from her itty bitty little car that we would all pack into to countless slumber parties held at her house! God bless you and your family.
