

Patricia Ann Edie

March 26, 1944 - April 2, 2026

Patricia Ann Edie, 82, of Elfrida, Arizona, passed on April 2, 2026, in Whetstone, Arizona.

She was born on March 26, 1944 in Los Angeles, California. She was the daughter of George William Cubitt and Ruth Viola Krueger. Patricia was born and raised in Los Angeles, spending a great deal of time with her older brother, David and nearby family and friends. Patricia met her husband, Richard Edie, in Wickenburg, AZ at a dude ranch. They were later married in Redondo Beach, CA on November 20, 1965. Patricia then took her city girl skills to live in rural Idaho on the Edie ranch. This was definitely a different lifestyle, but she fell in love with ranch life. There she had George in 1970 and Richard in 1973. Later the family moved to Arizona, where she had Susan in 1980.

Her time in Arizona was well spent. Between her love for cattle and helping schools, she worked the family ranch while working at schools across the county. She retired from Cochise Elementary in 2012 and some might say after retirement were some of her best years. She got the privilege of helping raise her 4 grandchildren, Heaven, Hailee, Mateo, and Gabriela. And continued to take an active part in the daily lives of her great grandchildren. Patricia was a member of the Church of Jesus Christ of Latter-Day Saints. She had a strong testimony of Jesus Christ and his atonement for each of us. She was frequently found in service to those around her. Often taking care of others more than she took care of herself. She exemplified the love that Christ

has for each of us.

Patricia is survived by her husband of 60 years, Richard Edie, her brother, David Cubitt, her three kids, George, Richard, and Susan, her grandchildren, Heaven (Clayton), Hailee (Daniel), Mateo, and Gabriela, as well as 6 great grandchildren. Patricia joined her parents George and Ruth across the veil. She has left a hole in many hearts but with that being said, she requested to not have any services at this time. The family asks for prayers and thoughts as they navigate this loss.

At her request no services will be held.

“ When I was in Cochise elementary she was the sweetest woman. I loved talking to her and being around her. My deepest condolences to the family. She'll be missed.

“ Pat was of the first to welcome me and Jim to Elfrida at church. She was a fun, talented, busy lady! How she took care of Susan's little ones and her animals and everything else was a marvel to behold. She loved get togethers, sharing stories and her famous cheesecakes. As a Sunday School teacher, she was one of the best! She had a strong testimony of Christ and our place in his kingdom. Her passing leaves a legacy of love and service and a way of life rarely seen today. God bless all her family

“ She met me and family at Elfrida Church of Jesus Christ of Latter-Day Saints while we lived in Elfrida. Her house was always open to us. We had Thanksgiving dinners there a time or three. She was putting on an event at Pearce Elementary and we took her home. My wife needed surgery in Phoenix and Pat came to help. We traded horses for a while, and she and Susen took care of Banjo. Going to miss her, love LaVar.

“ Mrs. Edie, as I always called her, was a wonderful woman. She was strong, tough, caring and had a heart of gold. She was a dear friend that became family. She never met a stranger, and always took care of everyone around her. Her love and devotion to her family, children, grandchildren, and great grand children was boundless. She always had a great story to tell about her days as a rancher. She loved animals, but had a special affinity for cattle. She told me there was no greater peace than standing out in a pasture with your cattle and listening to them graze. She always brought the most delicious cheese cakes to her friends and some business owners in the area as well, between Thanksgiving and Christmas. She was a hard working mover and shaker, a mold breaker. She loved with all of her heart and had a fierceness about her that always made you think twice before acting like a fool. The world is minus a warrior, an angel in the flesh. God bless her sweet soul. We will see you again. May God bless her family during this time of grief. You all were her life, and the loves of her life. I am so very sorry for your loss.
