“ *To the Nuzzo family We are so sorry for the loss of your mom but she is now reunited with your dad and free of pain and suffering. I have a lot of great memories of you Pat..One being the day I was teaching you to drive and you were coming so close to the mail boxes but they were all standing when you finished driving..A lot of laughs that day. Also all the fun we had with you and John the day we spent at Old Tucson. I will always cherish the picture we had taken that day. Until we meet again we love you both and will miss you so much..Judy & Tony Nuzzo*

Thank you for all u taught me, the love I have for both of you is endless. “ *My heart breaks you are no longer with us, but happy you are with Grampa John again. You both were the most generous and most well known couple in AZ, even if it was Grampa gonna knock a guy out because he cut Gram and Grampa off. I will cherish our memories we shared thru the years. Gram you were the best gram I love you always and forever , I am missing you dearly. Ill never forget how u taught me to peel a potatoe, when we were at Nanas and my mom was so mad because i wanted to be by your side helping and i wouldnt help her at home.. Im sad I was never able to take the 7 day trip with you and Grampa Johnwith the RV back to AZ, I would give anything to take that trip with u both. “ Indeed, a beautiful lady. Was always a thrill when she accompanied her husband, John, on plumbing runs @ our homestead in Willcox. She was a survivor of the German bombing of London during WWII. Such stories she told of those moments in the "tunnels" (subways) as a child. Our deepest sympathies to the Nuzzo family. What a great homecoming again it will be when we gather together in Heaven.
