“ *Pasty and Pete were good friends of my mother and dad, Curtis and Ruby Roark. Along with Bill and Pasty Michaels we had a great time in the small community of Cotton City. I can remember playing with Kimberlee and Kameron. Remember the slip and slide Pasty Micheals bought for us to play on? Also in those early days of TV we had to manually turn the antenna to get different programs...of for that matter any program. I recall my mom saying that Pete used to say that he didn't get to watch TV because he was always on the roof.*

*I am sorry for your loss - only a few of the old crowd is still around - hope they are all in heaven together.*

*Peggy Roark*

“ *We got to know Patsy and Pete trough Patsy and Bill Michaels. These four people were wonderful to be around and we loved all of them. When Patsy Michaels went to Circle B Rest Home Patsy McCanne visited her most days. What a loving friendship to witness. I feel very blessed to have met Patsy and I'll remember her always as a beautiful, caring, loving person. God Bless you Pete as you face life on this earth without her, but you'll be with her in Heaven. What rejoicing there will be when we all met again.*

“ *What a beautiful visit I had with Pete & Patsy. We laughed over the memories of camping, fishing, eating together. Patsy made Lori Dawn a little outfit for her when we came down for her 2nd birthday, have a picture of Lori wearing it on Mom's swing on the front porch. But out of all the years of friendship with Mom & Dad. Patsy said the most precious was that Mom & Dad's great grandson was a teacher & coach to their great grand kids at the Jr. High School. Circle of life. Our love & prayers for the loss of a beautiful & precious friend.*
