“ *So many great memories to cherish and share. I'm thanking God for them all. She and I worked together at Adobe Mountain Correctional Facility in North Phoenix with incarcerated youth and shared the love of Jesus with so many young people there through the Equine Therapy Program. We rode horses together on the trails near her home in Scottsdale. I was blessed to ride her horses many, many times in Scottsdale and train them as well. We used these horses (Dancer and Bullet) in the youth programs we conducted together. We both were instrumental in starting the Agape Youth Ranch Summer Equine Camps near Elfinda, Arizona and touched many lives with God's love through that fun ministry. My wife Marcia and I stayed at her home in Sunsites, Arizona and enjoyed some holiday meals feasting at her table. We made several trips to visit her and Keith after they moved to the Sunsites area.*

We worshipped together.

Yes my dear Peggy was an inspiration to so many in so many ways. She truly made friends wherever she went. I feel so blessed to have shared so much with both Peggy and Keith over the years. Peggy shared so much with so many people. Her light will still shine through the lives of so many she has touched along her journey. We are lifting up her family members in prayer as each one honors her life.

“ Peggy was an extraordinary person. Her list of continued achievements in every aspect of her life have always amazed me. Bright, articulate, passionate, creative, caring, loving, faith filled, dedicated, intuitive are just a few of the words to describe my dear, dear friend. She will be missed by so many people whose lives she has touched.

She championed many causes for both people and horses. I have wonderful memories of our times together in Scottsdale AZ, Sunsites and Lexington KY. Her laughter still fills my heart and there is no doubt in my mind her spirit will live on forever with Keith, her family, her friends, and all of us she dearly loved.

“ Peggy would stop by our home to drop off the paper when we advertised for the Cochise/Dragoon History Tour. She was always helpful and interested in what was going on in our little part of the world.

“ Liz Potof of Arizona's Peruvian Paso Club President just called me with the news. I was stunned. Peggy and I spent an afternoon together the last week of June. She wanted to visit the Dahlquist family here in Benson, who have a bed-ridden grown son. They are in need of a care-giver for the young man as the parents are in their 80's now. Yes .. Peggy was looking out for the welfare of others! Her last e-mail on June 29 contained the happy news of her and Keith's upcoming 25th wedding anniversary on July 1. Well, Peggy you are in the Hands of the One Who cares for us all. See you on the other side. Until then, you'll be sorely missed.

“ I am devastated! I have so many memories of Peggy. We were such good friends in high school. She was so much fun to be with; it was a laugh a minute. The funniest memory was when she gave herself a flat top haircut and we called her "Sam" until it grew out. Do you remember that? She was loving, kind, and always happy. Rest in peace, Peggy. We will see you again someday. My condolences to all her family.

“ God gave Peggy many gifts and talents and she used them wisely with a heart of joy to help others. She was one of the most giving and caring people we have ever met. We spent many weeks sharing scriptures and fellowship after her horse accident in Ca. Peggy was such a blessing to us for the strength and willingness to keep on keeping on. We will see you in heaven when God calls us home.
With love to you for the memories over the years.

“ I am from Smithville, Tx. I grew up next door to the Craddock family lumber business and to Mrs. Craddock's mother. I remember Peggy as a beautiful woman whom I admired so much. I was so sad when her sister, Molly, died, and now so sad to here about Peggy! My thoughts & prayers to the family! The Craddock/Ingram/Parker families were family to mine (Foster). RIP. Love, Becky Kelly & the Foster family!!!

“ *Peggy Brock was a vivacious, outgoing, giving lady. I can't think of the people who was life she touched in one way or another. She sure touched mine in a special way. I would always get a short note from her a couple times a week letting me know she was thinking about me. Asking me what I was doing and how things were going. Asking me if I had any good news that we could put in the newspaper. She will surely be missed at our church and in the sunsites neighborhood actually all over the county I think. Keith may God be with you and your family at this time and give you comfort in the fond memories you will have Peggy with you always*

“ Dear Keith, I am so sorry to hear of Peggy's passing. She was such a spunky lady and a true pleasure to know. I always appreciated her enthusiastic support and encouragement of my work on the National Day of the Cowboy. It meant a lot to me to know you and she were always in my corner. I will miss receiving those positive cheery messages she so often sent to me. I have no doubt she made a wonderful difference in many other lives too, not just mine. “ Peggy thank you for allowing me to perform my violin for you in your church. You awakened the spiritual aspect that is needed to know that GOD loves us all. When you came by my classroom to deliver your news papers, I was pleased to see you and to know that your happiness was still visible . I shall never forget how we met--you approaching me and asking "who are you?" And seeing my violin on my back --brought a smile to your face. I will never forget you and I will dedicate this years' teaching of my students to you and what you stood for ---

To Love and to depend on GOD!!

I thank you and will always love you Peggy.

“ Peggy is one of the reasons I feel so at home at The Church at Sunsites. I'm glad I met her, and she made a lasting impression on my kids. I dont know her as well as I would have liked but I'll miss talking to her, I loved her stories about her animals. She was a real lady.
