“ *Everything reminds me of mom, a note from a relative, a call from a sibling, the blooming fruit trees in Peggy's orchard. I do not like being happy and sad at the same time. Just saying.*

My heartfelt sympathy goes out to my cousins. My prayers are with you. I know what it's like to lose your mother. I only met Peggy once, in 1964, when we came over to your house for dinner during our visit to Arizona.

“ So that is where the name Tilly came from! I have called my mom Tilly for the past 30 or so years since she injured her brain in the car accident in Michigan.

My mother was a beautiful classy lady that worked hard at being a mom and made each one of us feel special. She told me I could grow up to be anything I wanted...and I did.

She never failed to help her kids even when helping meant doing nothing and made us angry. I wish she had had a longer time to sculpt as she used to light up when she talked about it. Perhaps where she is now there is some sculpting going on. I miss her, I love her, always. Kathleen Czech

“ *Very sad to hear of my Aunt Peggy's passing. No one can remember why but I never called her Aunt Peggy, she was always Tilly Jones. Anyway, what a funny sweet disposition I remember. My prayers are with her children.*
