“ *Our hearts broke for you last week. We prayed for your miracle and it was not Gods will. His plan js perfect, yet we weak humans have such difficulty adjusting. The pain we feel must be indicative of the love God has for us. Continuing in prayer for your whole family and all thise impacted by the loss of this fine young man.*

“ My sincere condolences to the entire family of Qirt. I have seen some of the story and am heartbroken; I did not know him but I am a Rancher in Texas and I have seen how quickly things happen. May God bless Qirt and the entire family now and forever.
