“ *I was fortunate to know and work with Mona for many years at the Middle School. She was an amazing person and teacher, always going the extra mile to do whatever it took to help her students succeed. I will greatly miss her warm greeting and pleasant smile.*

“ *Ramona Ayala Pesina was one of the first of many Baby-Sitters who was greatly appreciated by Mike and Kay Nelson. As one the newcomers to the Willcox Community as a counselor and teacher, my wife and I depended on many young ladies to make it possible for my wife and I to have an occasional night to ourselves. Thank you Roman for helping to make us welcome in Willcox! You are appreciated and remembered!*

“ *My "comadre" and I shared lots of laughter, as well as many discussions on motherhood. I was fortunate enough too get to know Mona as a co-worker who took her job to heart. Always willing to share her knowledge. I enjoyed the occasions where we tried to solve the world's problems and ended the sessions laughing at the thought. She gave full commitment to her work, friends and family and will be missed beyond words.*
