“ *We owe so much to this man and his wonderful wife. Dick was part of the Pearce Cemetery Association for many years and did so much work with the perimeter fences and gates-out there in that hot Arizona sun. He also helped set up the urn gardens in our C4 area. Always had a smile on his face and never complained. After his retirement from our Board, we kept him on as an "honorary board member", and checked with him on all our projects.*

“ I have so many memories of grandpa - such a happy, loving, kind man. The things I think of most are his excitement at finding a penny or a nickel on the street, Rolling newspaper logs as a kid, his arguing he isn't sleeping despite his snoring (“oh I ain't either”, or “I'm just resting my eyes”) and my last memory of him being so happy to see me he cried. I am so glad I got to say goodbye and spend some amazing last moments with him.
