“ *Stormy was a brother. My hero. A warrior elite. Smart, proud, strong. I often think of him for courage and inspiration. I cry for our loss. I will always profit from our friend ship.*

“ *Richard and Mody were good friends (and great landlords) for eight years. Whenever there were problems or something needed to be repaired, they responded quickly to insure our comfort and security. When the heating unit in my trailer went out, Rick worked on it for several days and many sweat-filled hours, and didn't stop until it was all taken care of.*

Over the years, we enjoyed spending time together at impromptu potlucks and football game get togethers, birthday, Superbowl and holiday parties. Whatever the occasion, you knew you were guaranteed a good time (and good food) if you were with Rick and Mody the consummate hosts.

Whenever you needed help with something, Rick was there to lend a helping hand. He had the special quality of making you feel that whatever the situation, you were important. A tremendous storyteller, with a quirky sense of humor and the 'gift of gab', life in Bowie won't be the same without him. And we will miss him greatly. We extend our heartfelt sympathy to Rick's family and friends.

*With love,
Suzy and Michael*

“ I am so sorry. He was so easy to talk to evenings on Sharon's patio. He made me feel comfortable like i had known him all my life. Kenny enjoyed talking crafts with him, sheetmetal man to electrician. I wish we had time to get to know him better but Kenny was still working so time in AZ was limited. Please send my condolences to his son. I hate it when people die before their time

“ Rick and I are first cousins & 4 months apart. We were inseperable as kids, we rode bikes for hours, played on train tracks, made forts, pranked one another among many other memories. We were more than cousins. We were best friends! We grew apart after our mid 20s as we lived 1000s of miles away but we tried to keep up when we could. Rest In Peace my cousin, I love you. Mody and Ricky Jr. God Bless and you have my prayers & condolences. Love, Penny Jo

“ *Richard/Rick had a sense of humor, and was a master story teller. He could get to the truth of matters like a master. Intelligent, yet humble in secret, he loved deeply. He taught me that love is a choice. Rick left this home, to go to his new one with a beautiful smile. Rick always had this incredible luck, he had no fear, Grace and Peace delivered. :)*

Rick was a great person. Growing up around him was always great. He left for the army and a couple years later I moved on with my journies of life. Haven't seen each other in years. But Ruck, Barry, Jamie and Dougie was always my favorites I loved always spending time with them with their Mom Aunt Norah. I will join them all again. One day when this journey of life ends but until then tell all our family in heaven that I miss them and love them all so much. See you again someday Rick. I love you.
