“ I worked with Rick in Morenci Az. Offices side-by-side. He was a good hearted man, had an infectious laugh and was a joy to be around. Rare people like him make you feel good just being around them. He was one of those rare people. We all will miss him, he was a good friend.

“ I remember the first time I met him in Phoenix at Nascar. You and Frank were Nascar Woodhogg across the aisles. Your Dad that that was hysterical how we found each other there. I liked him the minute I met him. Just a happy good guy I felt like I knew forever. He had a great laugh, made me laugh and a wonderful smile. Praying for you all. He will be missed.
