“ On March 27th the world lost an angel and heaven gained one. Rob was such a positive caring person. He would help anyone he could. He gave us all a great example of living life to the fullest, never wasting a day that he felt well enough to do something. He would often say that pain was his hobby and that he was going to stick around until the cure for cancer was discovered. Anyone who knew Rob loved him. I will miss his positive outlook on life, his great sense of humor, and wisdom. I hope God gives you green trees against a blue sky every day. I love you Rob.

*It's been many a while since I've seen Rob but once you met him, you would never forget him. He was one off the all-time great guys of Samuel Ayer High School. I was very fortunate to know him and his beautiful sister Babbi. Rob was part the class of 77 and I graduated with Babbi in 1978. They were both quality people, wonderful friends and great students. They both always had time for me during our high school years and I will never forget their wonderful smiles.*

*I'll always remember Rob being a tremendous athlete lettering in wrestling all 4 years. I watched many of his matches and he always made wrestling look easy (and I know it's not) out on the mat.*

*I can't believe he's gone. You will be missed my friend! My thoughts and prayers are with Rob, Babbi and their entire families during this truly tough time.*

*God bless!
