“ Robert "Bob" Haas

“ While serving as chairman of the Graham, Greenlee ASCS committee Bob Haas was elected to serve on the committee. We served many years together and became very good friends. Always respected Bob and his careful considerations of sometimes hard decisions that had to be made. He was always kind and respectful to everyone and greeted you with a big smile. We always loved to talk to each other about farming. I met all of Bobs sons and Heidi through him and became very good friends with Randy and Nancy . Bob will be missed, such a good man. Our Condolences to all the family. Rohn and Debbie Welker

“ *I have been blessed with many wonderful memories of Bob. He loved his trips to Alaska, talking with the local farmers and dairymen, exploring everything Alaska has to offer. The trip, and my favorite memory, was the time Bob, Brent, Lenny and myself flew to Nome to watch the climax of the 1,000 mile Iditarod Trail sled dog race. This was something so different for this good natured adventuresome guy from Arizona who could melt the snow off your parka with his warm and generous smile. See you latter, Bob. Larry Leveen*
