“ *Robin was a very caring and loving person she took care of my friends and I very well. When I was feeling down she was there for me to be able to talk to and now I don't have that. She was a fighter and I knew somehow that this was going to happen but I kept praying for my friend and tried to be a good person but that never worked out the way I wanted it to. I miss you Robin Marie Herreras. We all will cherish the memories of you and your wonderful heart.* ”
