“ Death leaves a feeling no one can heal, love leaves a memory no one can steal. Those we love do not go away, they walk beside us every day. We are forever blessed that God connected us to you. Pastor O. Tony Ontanyon, mccj.

“ Robin,

There are Soooooooo many memories to share. You were the rock of the little town. The rock of all our life and the world of us all. You helped me and our family in so many ways possible. It was too early for your time. I still don't quite believe this. But I know your up there with Jesus and the angels. And your helping with crafts, baking, and knowledge of the world and words of god. It's hard to let this be real. But we here will be ok and you dont have to worry anymore. We love you and we'll take care of each other for you and with you. My dear friend you were and are like a god mother to me. Grandma/ aunt to my boys. Rest well in peace. And I will see you again one day. We will keep going with your love in us all. And help the world more as you did. Thank you for all your love.

“ Robin, you and I talked about how ready we were to go HOME. We just weren't ready to let you go. I know you are dancing with Jesus, and I know you are at peace. I rejoice for you. I weep for Dean and for all of us you left behind. We miss you. See you when I get there my dear sister. I love you. Laurel
