“ Ronnie was one of my hero's. I knew him from when my family lived in Willcox in the 60's. He and I shared some time at the old hospital when his ex and my ex were having babies at the same time. Not sure which one of you boys that was but I know it was 1966. I sure enjoyed him after I moved back in 1998. I don't know how horses and motorcycles mix, but they did for him.
