“ *I can't put my feelings into words at this moment. I pray you are finally at rest and at peace. I know you were never able to find it here. Took me almost 50 years to understand you, but I finally understood and I'm so sorry. I love you big brother. Say hi to everyone for me. See you again one day ❤️*

Hello Debbie, My name is Vincent, a friend of Ron's. I worked with him in North Dakota about 5 years ago. I am just learning about his passing. I hadn't heard from Ron in over a year and was wondering how he had been. I'm sad to hear about this. He was a very Intelligent and passionate Professional. He will be missed by many. RIP buddy.
