“ Ron was the one person that took me under his wing and hooked me up with everyone I needed to know in this community years ago and also did a lot of work for me. I will never forget you and talk of you often

“ Grandpa Ron. I miss you so much already. To his friends, thank you for loving my Grandpa like you did. He always talked of the people that surrounded him after my Grandma passed away. His sense of humor (which I got by the way 😊) was out of this world. He was such a great man with an amazing personality and I thank God every day for being able to know him. He's not suffering anymore and is with his kids and wife again.
I'll always remember you.
