“ *Ron, I'm very saddened to recently learn your passing. Our mothers were sisters; my mother was Virginia (Ginny). Though we haven't seen each other in decades, I have many special memories, especially from my childhood when we briefly lived in AZ. You were about 9 and had a horse named Toy. I pestered you to give me (5) a ride on him. You reluctantly agreed. You were very careful but at the end of the short ride Toy reared slightly causing me to slide off onto some soft soil. You were both relieved (you wouldn't get into trouble with our parents) and surprised that I sprang back to my feet wanting to ride again (we didn't!). You can tell how much your kindness meant to me because I have remembered that special day all these years. May you rest in peace, dear cousin. My heartfelt sympathies to your family. May the pain they feel at this time soon be replace by many warm and happy memories. Betty McReynolds Rountree*
