“ My deepest condolences to Raul, Raully, Melissa, Jonathan, her Princess Aubrey and Baby Angel, Priscilla and family, Flores and Rodriguez families. I was honored to call Roseann family and not just a friend, a quiet and fragile woman but kind, humble and a keen sense of humor! I will forever cherish and remember our last visits and you saying after waking you up “here’s the wake up committee “ and I told you we wouldn’t stay long so you could rest and you said “good “ only to chuckle and say “ I’m just kidding you can stay as long as you want “! Always asking for my mom and asking how she was doing, making sure everyone was doing well or asking if we needed anything regardless of your own health. I will hold our conversations close to my heart and will forever miss chatting on the phone and the family gatherings which brought the 3 Nana’s together for our grand babies which you loved so much! Rest easy Roseann you are now free from all sickness and pain. Our shared memories will help heal our hearts through this difficult time. I will miss you more than you know and will take care of our kids and grand babies whom will never forget you! I love you Roseann.
