“ To the family of Roy. We were surprised to hear of his passing. A man of many hats. He cared enough to be involved and say what needed to be said. A good man and valued community leader. He'll be missed. May God Rest his Soul.

“ I was very saddened to hear about the death of Roy. My sincere condolences to out to the family and most of all Mary. I've known Roy since I was a small child as he went to school with my brothers in Elfrida. I got to know Roy even better when I moved back to the valley. He told me many stories. He had a great sense of humor. We will miss him greatly.
