“ *What a wonderful lady. You and your husband have done such an amazing job raising your children. They must have watched both of you and now their children watch them in the same way. You have sowed a legacy of love in the Beck family. Job well done!! You'll be missed here, but we are excited that you are rejoicing with those that you have missed for so long. May God Bless You Ruth Beck.*

“ You were the best Ruth...I will never forget you or all that I learned from you. I will always treasure all of the good times we shared and will be forever grateful for the working relationship we started and the family relationship we ended up with.

*I am happy for you to be at peace and together again with your beloved Larry.*

*See you again Ruth, in the meantime have a cold beer and say hi to Adam for me.*

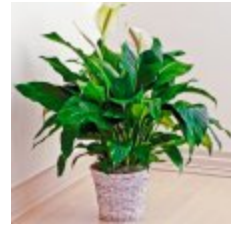

*Love you lots, Tina*
