“ *Ruth Ann and I grew up together in Clinton, Pa. We were college roommates and both became Medical Secretaries. We remained close throughout our adult lives. My husband and I made two cross country road trips from Pennsylvania to visit her and Al. Although I have not seen her in person over the past years, we always called each other on birthdays and exchanged Christmas cards. There were always a few phone calls in between. She was like a sister to me and I will miss her very much. Love you Ruth Ann, RIP. Naomi*

“ My most recent good memory with Aunt Ruthann is her and the family to our house to celebrate the May birthdays, Mother's Day, and just get away for the day and set all worries aside...took off her wig and with bald head and suit on got in the swimming pool and just carried on like she had no fear. That is the Ruthann I will remember. That day was so special for her and she wore her joy on her face that whole day. Love and faith in God got her through the tough times all the way to the end!
