“ *This time of the year rips my heart out. My mom was the most beautiful and kind person and I miss her every single day. I wish so badly to have you back, to say what I never did when you were here. I love you a bushel and a peck, a bushel and a peck and a hug around the neck.*

“ *I met Ruthann in 1972 in Michigan. We became instant friends and shared a lot of fun times. She introduced me to my husband, for which I will be forever grateful. She was a beautiful lady who will remain forever in my heart.*
