“ Sally was my grandma. She was the best grandma any little girl could ask for. I remember spending the summers with her and my grandpa in Arizona. She bought my my first pair of roller skates. I remember living in her pool even when she would tell me I was going to grow gills. I miss you grandma so much I am so glad that you got to meet your great grandkids . You are loved so much and are deeply missed. You and grandpa are at peace now with each other. Love and miss tou

“ *My deepest sympathy to Sally's family. She came into the library often when I worked there. It was a pleasure to talk to her, she was an avid reader. I am sad that she passed away.*
