“ *Sandy and her late brother Billy were favorites with their California cousins Judy, Mike and Barry Myers. We all recalled good times visiting the Hines and Chastain families back in the 1950s. Judy and Barry have since passed on, but as "Cousin Mike" I can say that we loved her and will miss her. Mike Myers*

*I will her so much! She was my sister in law dear friend. We lost contact for several years, but when we found each other again, it was even better than before. We had so much catching up to do. I called her a every couple weeks to keep her up to date with my grandsons. She loved all the pictureds and stories I had for her. I wl always miss our lad talks! RIP and tell Johnny we miss him*
