“ To share one memory of mother is hard, she had so many things we can remember her by. Her sense of humor was one thing she was known for! That was one of our most favorite!! Her chicken soup. Don't say you feel a bit more,cold,or you sneeze. It's chicken soup. Mon, came with the largest pot of her homemade chicken soup, ! You would have so much left over you had to freeze it! Another memory, was mom and solanpatches One day she came over for her pedicure what did I find? Check had tiny patches cut for every toe! I asked her what she had them on for, she said. Her toes might start hurting and she was ready!!
