“ *I am so sorry for your loss. I loved Sandy since I first met her. Bob and I were in our first home, 39 years ago, and Sandy lived in back of us. She was so kind and friendly. Sometimes, she would even bring us things like limeade, while we were out in our yard. I feel like she was more than a friend - she seemed like one of our relatives. What a sweet lady! I wish there were more people like her in the world. I know that she is making people happy where she is now - all her friends and relatives that have gone before are very glad to see her, I know. But we all miss her friendly smile and manner.*
