

Scott Braden

November 1, 1962 - March 18, 2020

With deep sadness, Scott Braden passed away at his home in Willcox, AZ on March 2020, at the age of 57. He was born in Orange, California on November 1, 1962 to Robert and Katherine Braden. Scott moved to Arizona in 1975, and was a Willcox High School Graduate. Scott was a creative, intelligent, eclectic person who at an early age worked for several businesses around the community to include the radio station, which was one of his favorite jobs. He served on the Willcox Volunteer Fire Department for many years and spent his life as a dedicated public servant all around Southern, AZ, although Willcox was always his home. Scott retired as a Flight Medic; starting out with Critical Air and continuing on with various other flight air ambulance companies until his retirement. He loved the outdoors and was a free lance metal worker, but most of all he loved having adventures with his wife and living life to the fullest. Scott was an amazing and loving husband, father and grandpa. He loved his family most of all and always put them first. On June 21, 1998 in Tombstone, AZ he married the love of his life and best friend Linda who survives him. Also surviving are his son Christian and daughter in law Amy Smith of West Virginia, along with their children and his grandchildren Aedan and Tehya Smith. Preceding him in death were his parents. The family will have a Celebration of Life at a later date. Contributions may be made to the March of Dimes. You may express condolences at www.westlawnchapelmortuary.com Arrangements entrusted to Westlawn Chapel, Mortuary and Crematory of Willcox, Arizona

“ *If I’m caught eating Peanut M&M’s at his funeral, it will only be out of respect for his huge heart and kindness. He has found me in clinic around Christmas and given me a bag (like family size) of Peanut M&M’s. Every year. He heard me mention once they were my favorites! Just the kind of warm heart I came to know, and will miss. All our love to his family and his sweet Linda!*

“ Scott & I came up in the Fire Department together, were Lieutenants together, was my partner on shift for a while. We always seemed to complement each other on emergency scenes. He is closer to me than some of my family. We managed to stay loosely in touch even though our career paths diverged. I will truly miss his smile and warped sense of humor, (much like mine). He truly was my "Brother from another Mother". Go easy Bro, Stand down, rest easy, we have the watch.

Linda, if there's anything you need let me know. I am so sorry for your loss. My deepest heartfelt condolences to you and the rest of Scott's family.
